

West Cobb Sanitation - Policies & Extra Charge Items

Anything over our normal pickups are a maximum of two 95 Gallon Garbage Cans and 5 bags or 5 bundles of limbs (or a combination of 5 items) per weekly pickup. Yard waste (excluding bundled limbs) must be in the brown paper yard waste bags designed for this purpose and cannot exceed 30 lbs. each. Be cautious of the rain as well as when you put your bags near the street since paper bags can get soaked. Wet paper bags tend to fall apart when the workers attempt to load them in the trucks. Please note, black plastic bags filled with yard waste will not be picked up. Limbs may not be greater than 2 inches in diameter and Limb bundles cannot be longer than 4 feet long or more than 12 inches in diameter. We can take customers' Christmas trees on regular pickup days. If you have any bulk items you would like to have removed, please call our office before putting them out for pickup. Contacting the office will help us to provide a more efficient and practical schedule for bulk item removals. Otherwise it will be at the Driver's discretion for pickup and charged to your account. Please only (1) extra item per week.
