

****West Cobb Sanitation - Policies & Procedures****

Our normal pickups are a maximum of one 95 Gallon Garbage Can and 5 bags of yard waste or 5 bundles of limbs (or a combination of 5 items) per week.

Sharps Containers – per guidelines from Cobb County, must be Double Bagged, Properly Labeled and Clearly Visible for Proper Handling by our Crew.

Paint – Must be DRY with Lid Off beside the can (Maximum 5 Gallons per Pick Up).

Yard Waste -- Yard waste (excluding bundled limbs) must be in paper yard waste bags designed for this purpose and cannot exceed 30 lbs. each. Be cautious and mindful of rain since paper bags can get soaked. Wet paper bags tend to fall apart when the workers attempt to load them in the trucks. Limbs may not be greater than 2 inches in diameter and Limb bundles cannot be longer than **4** feet or more than **12** inches in diameter.

Anything more than this must be Scheduled and picked up by our Special Pick-Up Program.

Please note, any yard waste over the maximum of **5** items, more than 5 gallons of DRY paint, plastic bags filled with yard waste or anything other than normal bagged household garbage in cans will only be picked up by our **Special Pick-Up** program and **MUST BE SCHEDULED**.

Items We DO NOT PICK UP

Explosives, Flares, Ammunition, Firearms, Any Pool Chemicals or Empty Pool Chemical Containers.

Batteries or any other item that could cause fire.

Wet Paint, Chemicals, Fertilizer and ANY Hazardous Material or Bio-Hazard Waste.

Any Oil, Cooking Oil, Liquid or Solvent.

Any Metal, Wood or Item that may Damage our equipment.

Medicine

Any Tank/Cylinder that MAY HAVE compressed GAS/AIR/LIQUID of any type (LP Tank, Helium Tank, Fire Extinguisher– etc.)

REMEMBER = Always have your Garbage and Recycle out by 7:00am or the night before. Pick-up times are at Driver's discretion. All Household GARBAGE should be in plastic bags and tied (Cobb County Solid Waste Ordinance Sec.102-69). Rates are based on average household waste-- persistent excess garbage may require additional charges.

IMPORTANT CHANGES

West Cobb Sanitation will be making changes to some of our procedures and costs due to increased employee injuries, higher disposal fees, and an increased rate of equipment damage/failure. It's also necessary for our company to limit various items being placed in our garbage trucks. This will help to ensure the safety and wellbeing of our employees and the integrity of our equipment.

West Cobb Sanitation will continue to provide the services you expect and exceed the services provided by other companies. Although many sanitation companies only pick up items located in a can; **West Cobb Sanitation is adding a "New and Low-Cost Service" called SPECIAL PICK-UP**. This exciting NEW PROGRAM gives West Cobb Sanitation the ability to serve the needs of our communities in a more effective and efficient manner. Most importantly, this will allow us to provide a better service and pick up more than ever before at an affordable rate.

Please review information pertaining to the Special Pick -Up Program on page 2 or the back of this document. These changes will go into effect on **12/01/2024**.

To use the SPECIAL PICK-UP, simply email:

info@westcobbsanitation.com

This Program uses a separate Bulk Pick Up System and items will be picked up in a timely manner.
